

Notice to Our Members April 24, 2020

Governor: The Governor has delayed the May 5th City and Town elections to May 19th. The deadline to apply for an absentee ballot will be May 12th, and all mail-in ballots must be received by 7pm on the 19th, so they should be mailed in well before that. These elections will be taking place in many of our smaller jurisdictions, but do not involve any County offices. All residents of these localities will be able to vote by mail by using “disability or illness” as an excuse. You can apply for a ballot [here](#).

There are contested elections for Mayor and/or Council in the following:

- Fairfax City
- Vienna
- Haymarket
- Quantico
- Purcellville
- Lovettsville
- Hamilton
- Round Hill
- Warrenton (Wards 1,2, and 5)
- The Plains

Blood Drive Campaign: There is no known end date in the fight against coronavirus and the need for blood and platelet donors is greater than ever. In response to this outbreak, NVBIA, in partnership with HBAV, is putting out a call to membership to give blood to save lives. For more information on how you can partake, please click [here](#).

Worksite Safety Guidelines: As a reminder, the Governor has deemed our industry as essential but emphasized that our workers must adhere to the worksite safety guidelines. As this situation with COVID-19 changes rapidly, let’s not provide public health officials reasons to recommend tighter restrictions. It is imperative that our industry demonstrate that we are doing everything possible to protect public health and public safety. If concerns mount about the safety of activities in the building industry, a future order could shut down our work. To prevent that from happening, everyone must take the utmost care in their operations. [Please review and follow these recommendations carefully.](#)
