

Notice to Our Members April 27, 2020

NAHB: NAHB has released new updates to its construction safety guidance, including new guidance on face coverings; specific procedures for screening and allowing visitors onto job sites; an appendix on the procedures for monitoring the temperature of workers, including next steps if a high fever is found; additional guidance on ride sharing and the use of common drinking and eating sources; and more. You can find the details [here](#).

NAHB will be holding a webinar **tomorrow at 11am** with **Secretary of Housing and Urban Development Ben Carson** and **Federal Housing Commissioner Brian Montgomery** to discuss HUD and FHA initiatives. You can register for the webinar [here](#).

As we sent out this morning, the Economic Injury Disaster Loans program and the Paycheck Protection Program have received more funding and are receiving applications. You can find more information [here](#).

NAHB Chief Economist Robert Dietz has provided an updated analysis of the impact of COVID-19 on the housing market and the economy, which you can read [here](#).

Blood Drive Campaign: There is no known end date in the fight against coronavirus and the need for blood and platelet donors is greater than ever. In response to this outbreak, NVBIA, in partnership with HBAV, is putting out a call to membership to give blood to save lives. For more information on how you can partake, please click [here](#).
