

Notice to Our Members April 29, 2020

Prince William: Development Services is experiencing a higher than normal volume of incomplete applications. Current review/processing time at the front counters is up to 5 business days. They are asking everyone to ensure that applications are submitted correctly to minimize delays. For a detailed summary of all procedures regarding submissions and inspections, please click [here](#).

Herndon: The Herndon Town Council approved an ordinance similar to the extension that passed the Fairfax County Board of Supervisors two weeks ago. This ordinance extends the validity of any staff approved plan, plat, permit, modification, waiver or determination to 60 days after the Town lifts its state of emergency. You can read the full text [here](#).

Webinar - New Round of Funding: Understanding How to Take Advantage of the PPP and EIDL Loans: This Webinar, on Friday, May 1st, will guide NVBIA members through the intricacies of the PPP loan requirements including what needs to occur for the forgiveness of this loan, how to document the use of the funds for accounting purposes and the potential tax free nature of the loan. Even if you have not taken advantage of the PPP loans, our speakers will address the potential availability of the funds and alternative programs that could be utilized. In addition, this webinar will explain how your accountant will be an essential part of your process. Three experts in dealing with these SBA loans will provide you with guidance from three different points of view. Join us to hear from Timothy M. Davis, Business Banker at John Marshall Bank; Fred Bohlander, Financial Planner/Managing Director at Sandbox FP; and David Albert, CPA, CFP and Senior Partner at Sandbox FP. A Question and Answer period to follow. To register, please click [here](#).

Blood Drive Campaign: There is no known end date in the fight against coronavirus and the need for blood and platelet donors is greater than ever. In response to this outbreak, NVBIA, in partnership with HBAV, is putting out a call to membership to give blood to save lives. For more information on how you can partake, please click [here](#).

NEW Worksite Safety Guidelines: As a reminder, the Governor has deemed our industry as essential but emphasized that our workers must adhere to the worksite safety guidelines. As this situation with COVID-19 changes rapidly, let's not provide public health officials reasons to recommend tighter restrictions. It is imperative that our industry demonstrate that we are doing everything possible to protect public health and public safety. If concerns mount about the safety of activities in the building industry, a future order could shut down our work. To prevent that from happening, everyone must take the utmost care in their operations. [Please review and follow these recommendations carefully.](#)
